Advert Description

Description of the Business:

Pro-link distribution is a distribution agency which supplies the Tyre shops and retailers as well farmers and plant hire businesses with tyre repair materials.

Products supplied are Gaitors, patches, plugs, solutions, full range of valves for passenger, truck and earth mover, repair tools, wheel weights, tyre fluid, inflation and pressure gauges, adaptors and air- line products ,impact wrenches etc.

I have 4 main suppliers, Pro-tyre Products, Selago (Schrader), Wheel components and Enertude, hereby satisfying the customer's needs by supplying the full range of tyre repair consumables

The business can be run from home or anywhere, as long as you have a laptop and a phone

The potential for growth is enormous, as the areas can be grown to include outlying towns and service stations

The suppliers are constantly bringing in exciting new products to market.

I have 30 day accounts with my suppliers; most of my customers are on 30 day accounts. Although I do have a number of cash sale customers as well.
